Technical Aide Named by URA

CPYRGHT

CPYRGHT

George Brickelmaier of Alexandria has been appointed technical standards co-ordinator of the Urban Renewal Administration. Commissioner William L. Slayton has announced.

development in Fairfax County for some eight years. Earlier he had been on the staff of the Central Intelligence Agency for five years.

George Brickelmaier

His appointment fills the vacancy created by the promotion of John W. Shively to assistant commissioner for technical standards.

Mr. Brickelmaier, a graduate of Dartmouth College, comes to the URA post from the District Redevelopment Land Agency where he had been assistant chief of the land disposition division since 1958.

Before joining RLA, he was general manager of Hollin Hills, a private residential de-
